Xavier Lewellen

Hard-working and dedicated Computer Science student who can collaborate well in groups and meet deadlines. Possesses experience with 5+ programming languages, particularly skilled in C++ and JavaScript. Seeking to use my development capabilities in a position that can expand my range of experience.

EXPERIENCE

Software & Technical Development Intern
Language Amigo, Chicago, IL | June 2021-September 2021

- Used JavaScript to implement data and finance management automation scripts
- Led the development team to implement new onboarding processes, contributing to an overall 50% increase in client base
- Collaborated with other interns in the Agile development process to consistently deliver sprint goals

Tutor & Assistant App Development Instructor
After School Matters, Chicago, IL | Summer 2018; June 2019-January 2020

- Assisted in instructing programming topics to classes of 15-20 students
- Developed and presented practical computer science skills in JavaScript for the purposes of app development
- Utilized React and JS skills to design and program functional app for Android and IOS devices
